and Free Medication Delivery with PocketPills.

PocketPills has partnered with EIO Solutions to help you manage your medication and to save your money.

Watch How It Works

**Get \$25 Worth of
Free Vitamins Just
for Signing Up!**

* Currently not available in Quebec.

† PocketPills cannot deliver controlled substances nor narcotics; we recommend you continue to use your current pharmacy for these types of drugs.

Why Choose PocketPills?

01 Quick Sign Up

It takes less than 3 minutes to create a profile, and you can add family members with a touch of a button.

02 Full Service Pharmacy

Designed around your life, we manage your refills with your doctor, so you never run out of medications.†

03 Easy Medication Management

Can't remember to take your medication on time? Try our PocketPacks, where your medications are sorted by date and time.

04 Save Time And Money

PocketPills offers significant savings through their low pharmacy markup and flat \$7 dispensing fee!

05 You Are Always Up To Date

Share your real-time medication history with your doctor. View your loved one's medication and history to have informed discussions with medical providers on their behalf.
